id.new talents is an initiative of new talents biennale cologne, a non-profit arts organisation established in 2007, based in Cologne, Germany. It is hosted by the private non-profit art space FUHRWERKSWAAGE Kunstraum in Cologne. If not clearly indicated whether the institution has a long term (general) interest in presenting and supporting young artists, we reserve our right to dismiss the application after profound research and/or contact with the respective institution.
